

LegacyGIVING

Resources for Professional Advisors

We value our close partnerships with our professional advisors including financial advisors, lawyers, trust officers and funeral directors. We are grateful for the impact of your work.

Here are a few resources that will help meet the needs of your clients who want to support Humane Society London & Middlesex.

If you have any questions or concerns or would like to discuss legacy giving please email Miranda Fuller, Fund Development Manager (mfuller@hslm.ca)
