**Collins Clothiers HSLM 120 Anniversary
Charity Casino Night Style Guide**

This guide exists for the sole purpose of saving you the effort (and embarrassment) of dressing yourself. We're showcasing stylish, modern outfits that are perfect for a fun night out.

This guide is far from all of the options we offer. Come in to our showroom and I promise you will be amazed at the wall of colours and feel of fabrics. Items can be purchased separately or as a package.
